*Please Note:

Make die-cuts as small as possible so as not to weaken board. Ease of insertion of handle must also be taken into consideration and depends on the thickness of the board.

1. Die-cuts shown were used to determine carrying weight of the handle.
2. Each application requires individual examination to determine proper Die-cut.
3. LecoPlastics will be glad to assist you in determining the best applicable die-cut.
4. Carrying weights of handles are for reference only, and depends on your Flute and board type.
